## COMMUNITY PRIORITIES FOR NATURAL PARK

The elements below were identified as top priorities by residents and community members through community workshops, Legacy LA's door-to-door survey of 500 residences at Ramona Gardens, and meetings with stakeholders. Community input was the driving force in development of the 'Big Nature/La Naturaleza en Grande' concept design for the Natural Park at Ramona Gardens.

VERY IMPORTANT PRIORITY MUY IMPORTANTE PRIORIDAD		Quiet place to escape city, beauty Native trees, flowers and wildlife Water Natural places for children to play	Lugar tranquilo para descansar, belleza Arboles, flores y pájaros nativos Agua Lugares naturales para que juegen los niños
		Buffer from freeway noise Remove air pollutants	Barrera para desminuir el sonido de la auropista Remueve la contaminación del aire
		Walking trail Exercise	Camino natural Ejercicio
		Shade, seating areas Picnic area	Sombra, áreas para sentarse Area de Picnic
	An and the	Security lighting	Luces de seguridad
		Improved area for swap meet	Area del agachón mejorado
